

# lichess.org Instructions

## *Challenge an opponent and Game setup*

### Step 1

Sign into your lichess account at <https://lichess.org/>

### Step 2

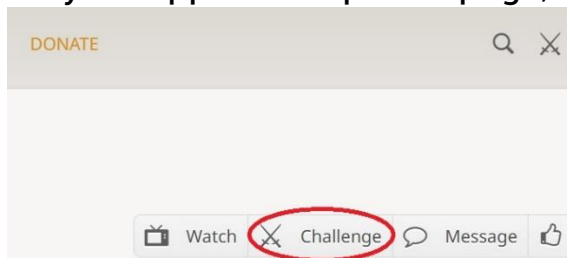

In the search box in the top menu bar (see image below) type your opponent's lichess username and press enter.

Then, your opponent's profile page will appear.

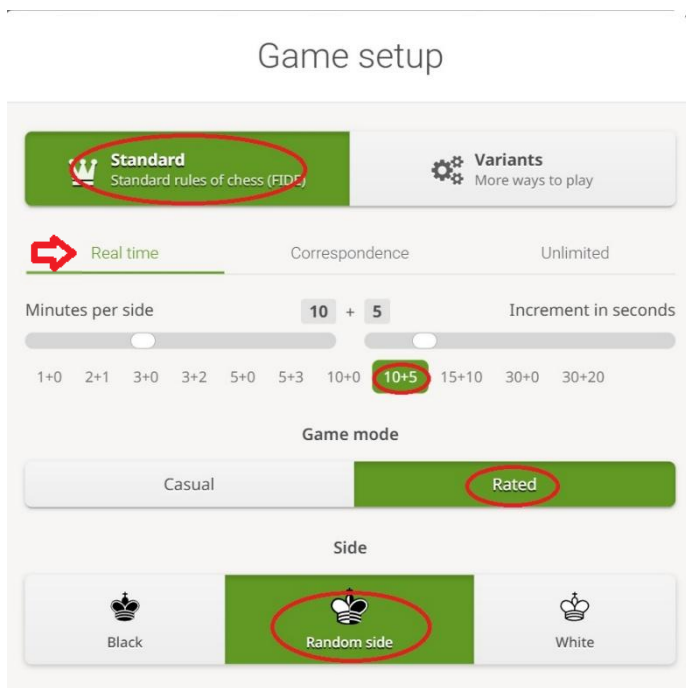

### Step 3

On your opponent's profile page, click Challenge (see image below):

### Step 4

Then set up the game controls (see image below):

Select **Standard**

Select **Real time**

Select **10+5**

Select **Rated**

Select **Random Side** (for the first game).

Finally, click the **Challenge** button and the game will start.
